

FOR COMPANIES

Join Burohelp to provide **volunteering support through your employees** while fulfilling company CSR quotas.

Common Challenges Faced by Companies

↓ Finding the right work for each employee

Each of your employees have their own unique expertise. Often they speak multiple languages and are quite familiar with other cultures. But it's not easy to find the right social impact work best suited for their skills.

↓ Getting social recognition & exposure

Doing the right thing always comes first. But the company and its employees deserve the social recognition that comes with doing the right thing. How to get the social recognition and exposure you rightly deserve for your good deeds?

↓ Becoming CSR compliant

You and your employees need to be CSR compliant. You need clear and data driven proof for your CSR work.

Benefits of creating an account on Burohelp

↑ Bidirectional Collaboration for Simplified CSR Alignment

Companies can support nonprofits that align with their mission, while nonprofits can request help for specific needs. Burohelp streamlines this by connecting companies with nonprofits, simplifying project selection, management, and reporting to align with employee interests and business goals.

↑ Enhanced Employee Engagement

With Burohelp, companies can offer their employees meaningful volunteer opportunities. Employees can use their skills to contribute to causes they care about, which increases job satisfaction and promotes a positive work culture.

↑ Donations to Nonprofits

60% of the hourly rate goes to support nonprofits as a direct donation on behalf of your company through your employees.

↑ Improved Brand Image and Social Impact

Participating in nonprofit communities enhances a company's reputation for social responsibility, strengthening its brand and resonating with customers, partners, and the community.

Companies face growing pressure to engage in CSR, keep employees motivated, and protect their brand.

Volunteers from everywhere

Managing CSR and connecting with nonprofits can be challenging. Burohelp provides the platform that simplifies these efforts, enabling companies to make a greater impact on society.

Example cases

Multicultural Networking Event

Burohelp allows nonprofits to host networking events that connect company employees with diverse communities, fostering cultural exchange and collaboration while enhancing cross-cultural understanding.

Nonprofit-Driven Supportive Volunteering

Nonprofits can engage company employees as support volunteers to assist with daily operations, including facility maintenance, fundraising activities, and event setup and teardown.

Sustainability and Environmental Projects

Burohelp connects employees with local tree-planting initiatives by environmental nonprofits, allowing them to engage in hands-on community work that promotes environmental restoration and teamwork.

Joining Burohelp enables companies to connect with nonprofits seeking volunteers and donations, enhancing their CSR efforts while strengthening their brand image and making a positive societal impact.
